Senda Verde Mencia

“Senda Verde” is a collection of artisanal wines from unique regions in northern Spain that follow the 43oN parallel, stretching from coastal Galicia eastward along the northern coastline. In contrast to the rest of Spain, this area is lush and green from oceanic and geologic influences.

TASTING NOTES

APPEARANCE

Clean and bright with violet reflections.

SMELL

Elegant on the nose with notes of red fruits (blackberry and raspberry)

PALATE

Very tasty and elegant on the mouth. Fresh with presence of soft tannins and a persistent finish.

TECHNICAL FILE

Type of wine: Young red wine

Grape Variety: 100% Mencia

DO: Bierzo

Alcohol: 13,5 %

Vinification:

Harvest is made by hand using cases of 15kg of capacity. Once the grapes arrive at the winery they are selected (throwing away the bunches that are not in perfect condition) and destemmed.

Alcoholic fermentation takes place in stainless steel tanks at a constant temperature of 25°C for 12-15 days. Then, there is a following malolactic fermentation.
